TH – I – I – S... **OLD** gray Granny ain't what she used to be,  
**HAD** a hysterectomy, **NEEDS** a colonoscopy,  
But **SHE** can't afford to **PAY** for her care and so...  
I **GUESS** we'll have to shoot her now.

'Cause **WHERE** is she supposed to go  
**WHEN** she doesn't have the dough?  
She **DARE** not get sick without health insurance so...  
I **GUESS** we'll have to shoot her now.

TH – I – I – S... **OLD** gray Granny **SPLITS** all her pills in half.  
**DRUG** companies just laugh: **PROFITS** are off the graph.  
But **GRANNY** can't afford to **PAY** for her pills and so...  
I **GUESS** we'll have to shoot her now.

TH – I – I – S... **OLD** gray Granny **NOW** needs a test or two.  
Her **BOOB** has a lump or two, But **WHAT's** she supposed to do?  
She **CAN'T** pay the bill so she'll **JUST** have to muddle through  
I **GUESS** we'll have to shoot her now.

Ryan thinks he's **got** a deal  
**Privatize MEDicare** — what a steal!  
Corporations turn a profit and we'll be wondering  
Will Granny get health care at all?

Just give your representatives a call  
And tell 'em say no to Paul  
**THEN** --- Old Grey Granny **WON'T** have to worry 'cause  
We won't have to shoot her after all!
