

The Voucher Song

Tune: The Caisson Song

Lyrics: Gerrie Martini, Raging Grannies of Madison

Vouchers here, vouchers there, Walker vouchers everywhere
Public school budgets cut 'til they're bare. *Not Fair!* (Glen solo)

Teachers cut, class size up, collective bargaining is cut.
Let us fight back Scott Walker, he's nuts. *And corrupt!* (Rebecca solo)

He demeans, he deters, he deceives and he destroys
Schools that Wisconsin adores.

Grannies rage and sing, march and do our thing
And the Grannies go marching along. *Stop the vouchers!* (Kate solo)

The Grannies go singing our songs. *For the children!* (Mary Ellen solo)

The Grannies support public schools! (All)
