

Flush the TPP

by Jan Bohn of Middleton Action Team and Raging Grannies

Tune: Oh My Darling Clementine, Encourage audience to join in on the chorus!

CHORUS: Trans-Pacific, Trans-Pacific,
Trans-Pacific Partnership;
Not a trade deal, but a bum deal –
Let's just flush this TPP!

1. It's not free trade, it's a corporate raid
Oh, don't sign it, Governments;
Jobs are lost and gone forever --
Don't agree to TPP!

2. All the power, all the rights will
Go to global businesses;
But our laws should give us pause --
Let's not fast-track TPP.

CHORUS

3. Eleven nations in consultation
With the world-wide one percent
Will try to ram it, but we will slam it,
We understand the TPP.

4. People everywhere, show us that you care
Unite with us in our dissent;
Off your fannies; join the Grannies,
Help us flush this TPP!

IT'S A BUM DEAL! (turn our bums to the audience)
