

## **Flush the TPP**

*by Jan Bohn of Middleton Action Team and Raging Grannies*

*Tune: Oh My Darling Clementine, Encourage audience to join in on the chorus!*

CHORUS: Trans-Pacific, Trans-Pacific,  
Trans-Pacific Partnership;  
Not a trade deal, but a bum deal –  
Let's just flush this TPP!

1. It's not free trade, it's a corporate raid  
Oh, don't sign it, Governments;  
Jobs are lost and gone forever --  
Don't agree to TPP!

2. All the power, all the rights will  
Go to global businesses;  
But our laws should give us pause --  
Let's not fast-track TPP.

CHORUS

3. Eleven nations in consultation  
With the world-wide one percent  
Will try to ram it, but we will slam it,  
We understand the TPP.

4. People everywhere, show us that you care  
Unite with us in our dissent;  
Off your fannies; join the Grannies,  
Help us flush this TPP!

IT'S A BUM DEAL! (turn our bums to the audience)
