

The More We Get Together

Lyrics by Carol Tyler, Susan & Alan Bickley, Nicole Bresnick

The **more** we get **together**, **together**, **together**
The **more** we get **together**, the **happier** we'll **be**
 (1) 'Cause **I'm** gay (2) and **I'm** straight
 (1) and **I'm** bi (2) **transgender**
The **more** we get **together** the **happier** we'll **be**

The **more** we show our **respect**, our **respect**, our **respect**
The **more** that we can **connect**, the **happier** we'll **be**
 (1) 'Cause **I'm** gay (2) and **I'm** straight
 (1) and **I'm** bi (2) **transgender**
The **more** we get **together** the **happier** we'll **be**

What's my **preferred pronoun** - please **listen**, here's the **lowdown**
So **what** is in a **pronoun** - there's **much** to be **learned**
 (1) I'm **Susan** - I'm **he** **his**
 (2) I'm **Alex** I'm **she** **hers**
And **this** is who we **are** and how we **want** to be **known**

We're **gender nonconforming** / non **binary** / **fluid**
I **dress** just like a **Druid**, and **she** wears a **tux**
 (1) 'Cause **I'm** gay (2) and **I'm** straight
 (1) and **I'm** bi (2) **transgender**
And **all** of us **together** are **many** shades of **blue**

It's **time** to show we're **loving**, we're **caring**, **respecting**
'Cause **we** all need **accepting**, and **we** must stand **tall**
For **those** who are **out** and for **those** who are **struggling**
Let's **open** our arms **widely** **embracing** us all!
