Tune: She'll Be Comin 'Round the Mountain

Oh, we're radical environmentalists
Yes, we're radical environmentalists
We like **clean** air and clean water
And our beaches without tarballs /
Oh, we're radical environmentalists!

Oh, we like our veggies without pesticides
And our food without those hormones placed inside
We like fish **that don't have** PCBs - *[punch out the words]*
And forests that still **have** some trees - *[retard]*
We're radical environmentalists!

We want power that can always be renewed
Communities in control / we ain't no fools!
And we'd rather see those windmill blades *[no pause here]*
Than nuclear plants in the Everglades
We're radical environmentalists!

We like vehicles that truly don't pollute,
And for public transportation let's all root
We like lawns grown without Weed 'n Feed
And Gardens without gene spliced seed *[retard]*
We're radical environmentalists.

Oh, we like to have our food grown locally
And not **shipped** from far away or overseas
In Wisconsin we love fam'ly farms -
Not agribusiness **full** of harm -
We're radical environmentalists.
