

Why Doesn't My Vote

Tune: Why Doesn't My Goose

Lyrics: Rima Segal

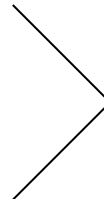

Key of A, Start on A

Why doesn't my vote
Count as much as their vote?
Corporations' votes count
Billions more than mine.

My vote's just a token
Supreme Court has spoken
Corporations' dollars
Count as votes today.

Corporate "persons" don't die
They are not like you and I
Their vote count will carry on
When we have passed away.

Why doesn't my vote
Count as much as their vote?
Corporations' votes count
Billions more than mine.

Repeat this first verse as a round;
sing it twice.
