

## **Rage to End All War**

Key of E, Start on B

*Tune: Battle Hymn of the Republic*

We're the Raging Grannies and we're here to take a stand  
Against the senseless killing raging in Afghanistan.  
Iraq is still a quagmire and some want to bomb Iran.  
We rage to end all war!

**Chorus:** No more military action  
We declare dissatisfaction  
With those who profit from the sale of drones and nukes and guns  
We rage to end all *war!*

We put away our knitting, tuck the grandkids into bed  
Throw on our shawls and aprons, put our hats upon our heads  
We stand up for the casualties whose blood is being shed.  
We rage to end all war!

**Chorus:** No more militarization!  
We are raging at our nation  
For spending all our taxes to destroy, exploit and kill.  
We rage to end all war!

We stand here on this street and wonder at the sad disgrace  
That civil liberties have disappeared without a trace.  
We're tired of the lies! We must put Congress in its place!  
We rage to end all war!

**Chorus:** No **mat**-ter who is **in** com-ma-and  
We'll **keep mak**-ing our de-ma-and.  
With Granny gear and voices clear  
We'll work with all our might  
Until we end all war!
