

## **We Need Good Jobs**

Start on A or B

Tune: Wisconsin Fight Song

Lyrics: Gerrie Martini, Madison Raging Grannies

1. We need good jobs, We need UNIONS, in Wisconsin now.  
Building windmills, schools, and bridges,  
Roads and clothes as well as fridges.  
Let's make it clear, Keep our jobs here, made in U.S.A.  
Fight, Wisconsin, for this right  
With all your might!  
*(Usually sung twice) (Often with Badger pom-poms)*
  
2. Vote for Baldwin, Tammy Baldwin, she's the one for us!  
Diplomatic, able, savvy,  
Tammy's smart and also snazzy.  
She will fight to bring good jobs back to the U.S.A.  
Vote for Tammy — qualified in every way.
