

# Estamos Trabajando

Start on A

tune: Yellow Rose of Texas

When you exploit your workers, you save a buck or two.  
But immigrants are people; they pay their bills like you.  
When families have no health care, it's not just their concern  
It hurts the whole community when they've nowhere to turn.

## CHORUS

Estamos trabajando por la justicia  
Queremos apoyarnos vivir en dignidad  
Queremos beneficios para las familias  
Vivimos todos juntos — en **la** comunidad.

Laws that punish immigrants are really lousy bills  
Let's send them back to Congress, 'cause we have had our fill!  
We Grannies say that immigrants deserve a decent wage  
And schoolrooms for their children, or else you'll hear us rage.

## CHORUS

Estamos trabajando...
