Tune: There's No Business Like Show Business

Key of G, Start on D

Key of F, Start on C

There's no business like war business  
The best business we know  
Never mind the homeless and the hungry  
Never mind the people without// jobs  
Nowhere can you get that special feeling  
As when you're// piling up the bombs!

There's no business like war business,  
The worst business we know!  
Multinational profits going through the sky:  
They multiply  
While children die (*very soft and sad*)  
This money could buy food and clothes and good health care  
For everyone in the world (*tone rising*)  
For everyone in the world (*tone falling*)
