

We Have Just One World

Key of C — Start on G

tune: You are my Sunshine

lyrics: additions by Kathy Miner

1. We have just one world
Yes only ONE world
Complete with sunshine, wind and rain
With ancient forests
And clear blue oceans
And living streams and fields of grain.
2. We have just one world
Yes, only ONE world
You might say **it's** our Public Domain
So let's preserve it;
The Earth deserves it,
All her creatures **stand** to gain.
3. We have just one world
Yes, only ONE world
With purple mountains
And fruited plain
And when we soil it
Overheat and spoil it
We'll never get that one world again.
