

Another Groom

Tune: "Makin' Whoopee"

Key of C — Start on G

Here stands a groom, another groom
Another sunny honeymoon
Love is so pleasin', no other reason
For makin' whoopee

Here stands a bride, another bride
Another marriage no one will hide
Let all who want to, say the words "I do"
And go make whoopee!

Picture two happy lovebirds
No matter who they be
Saying those wedding vow words
To marry, all should be free

Italian shoes, who cares the price
Couples are nervous — they answer twice
No one is jeerin', their friends are cheerin'
Sayin' "WHOOPEEE!" (*shouted with glee*)
