

# Oh Scotty Boy

Key of G, Start on F#

tune: Danny Boy

lyrics: Frank and Mary Koczan, Sheboygan, WI

Oh Scotty Boy — Recall, Recall is coming  
From east to west, across the Badger State.  
Oh, Scotty Boy, now trying to “make nice” with us,  
But we’re not fools, and RECALL is your fate!

The people RISE in answer to your perfidy!  
The people RISE, refuse to wear your chains!  
The people RISE and stand together, hearts on fire!  
Oh Scotty Boy, Oh Scotty Boy — You’re done! You’re through!

The people RISE in answer to your perfidy!  
The people RISE, refuse to wear your chains!  
The people RISE and stand together, hearts on fire!  
Oh Scotty Boy, Oh Scotty Boy — You’re done! You’re through!
