

After You've Gone — Scott Walker

Tune: After You've Gone, Lyrics by Patricia Stone, Accordion Player

CHORUS

After you've gone, we won't be crying.
After you've gone, there's no denying
You'll feel sad, but we'll feel glad,
Cuz you're the baddest gov we've ever had.

Verse 1 There'll come a time, we won't forget it.
 There'll come a time, and you'll regret it,
 You've been-- like an infection—
 /The only cure can be the next election.
 Then you'll be gone, then you'll be gone away.

CHORUS

After you've gone, we won't be crying.
After you've gone, there's no denying,
You'll feel bad, but we'll feel glad,
Cuz you're the worstest gov we've ever had.

Verse 2 You and your pals have done some damage,
 Wisconsin is strong and so we'll manage, to
 Clean up the mess that you left here—
 /We'll take the garbage out and then have a cold beer.
 After you've gone, After you've gone away.

CHORUS

After you've gone, there's no denying.
After you've gone, we won't be crying.
You'll feel mad, but we'll feel glad,
Cuz you're the sneakiest gov we've ever had.

Verse 3 After you're gone, we'll sing a glad song.
 After you're gone, it will not take long, to
 Undo the laws that your pals wrote—
 /We'll show the wo-rld how it works with a real vote.
 After you've gone. After you've gone away.
