

Hydrofracturing Sucks!

Lyrics: Vicki Ryder (Triangle, NC) 9/14/11

Tune: Battle Hymn of the Republic

The **USA's** addicted now to **fossil** fuel and oil,
And **hydrofracking's** on the rise; that **makes** our blood just boil!
We **know** that fracking will destroy our **water** and our soil....
Hydro**fracturing** just sucks!

CHORUS:

So **Take** your freakin' frackin' drills and **keep** 'em from our town,
We don't want your fracking turning **all** our water brown,
Take your freakin' frackin' drills or **we** will shut you down!
Hydro**fracturing** just sucks.

It **blows** in nasty chemicals and **poisons** all the water;
And **causes** quakes beneath the earth/ a **thing** it shouldn't oughta;
We **want** safe drinking water for our **sons** and for our daughters,
Hydro**fracturing** just sucks!

CHORUS
