

Bring Back Wisconsin to Me

Tune: My Bonnie Lies Over the Ocean

Lyrics by Lou & Peter Berryman

Key of F, Start on C

Key of E, Start on B

Wisconsin, whose motto was "Forward
Was populist as it could be
But now the new motto is "Backward"
Oh, bring back Wisconsin to me

CHORUS: Bring back, bring back
 Oh bring back Wisconsin to me, to me
 Bring back, bring back
 Oh bring back Wisconsin to me

Tho we may be "God's frozen people
We bask in the warmth of our plea
Don't bury my rights in a snowbank
Oh bring back Wisconsin to me

CHORUS

They're trying to stifle our voices
They're trying to keep us derailed
They'll find it's not easy to do tho
McCarthy once tried and he failed

CHORUS

Our Mother Wisconsin is fragile
It's fairly upsetting to see
She wandered away with a Walker
Oh bring back Wisconsin to me.
