

# How Much? --Big Ag

Tune: How Much is that Doggie in the Window?

Lyrics: Shelia Plotkin

**1st CHORUS:** How **much** will those **legislators** cost me?  
The **ones** with the **extended** hands  
Putting **cash** in their **coffers** works like magic  
When I **pay** them, they meet my demands.

I am **Big Ag**, I **need** a lot of water  
But the **locals** don't like **dried** up lakes  
So I **did** what some say I shouldn't **oughta**  
'Cuz I know what **lawmaking** takes

**2nd CHORUS:** How **much** did those **legislators** cost me?  
Their **laws** say I don't **have** to tell  
But, **watch** as your **lake** becomes a mud hole  
And **you** need to **drill** a new well.

I'll **plunder** your water. You can't **stop** me.  
The **GOP's** **mine** for a buck.  
Thanks to **all** of my **legislative** minions,  
I've got **water**, and **you've** got the muck.

**3rd CHORUS:** How **much** have those **legislators** cost me?  
I'm still paying out **on** the sly  
I **will** do just fine til **you** **replace** them  
With **those** whom my **money** can't buy.
