**CHORUS:** Forward together! Forward together!  
Forward together! Not one step back!  
Forward together! Forward together!  
Forward together! Not one step back!

Those who went **before** us  
Fought and **died** for our **civil** rights  
We're not gonna let 'em go  
Not without a fight! **So! Chorus**

Those who went before us  
Thought **education** was a **human** right  
We're not gonna let it go  
Not without a fight! **So! Chorus**

Those who went before us  
Thought **health care** was a **human** right  
We're not gonna let it go  
Not without a fight! **So! Chorus**

Those who went before us  
Thought **clean water** was a **human** right  
We're not gonna let it go  
Not without a fight! **So! Chorus**

Those who went before us  
Thought **choice** was a **woman's** right  
We're not gonna let it go  
Not without a fight! **So! Chorus**

Those who went before us  
Thought **voting** was a **civil** right  
We're not gonna let it go  
Not without a fight! **So! Chorus**
