CHORUS: Forward together! Forward together!
Forward together! Not one step back!
Forward together! Forward together!
Forward together! Not one step back!

Those who went **before** us
Fought and **died** for our **civil** rights
We're not gonna let 'em go
Not without a fight! **So! Chorus**

Those who went before us
Thought **education** was a **human** right
We're not gonna let it go
Not without a fight! **So! Chorus**

Those who went before us
Thought **health care** was a **human** right
We're not gonna let it go
Not without a fight! **So! Chorus**

Those who went before us
Thought **clean water** was a **human** right
We're not gonna let it go
Not without a fight! **So! Chorus**

Those who went before us
Thought **choice** was a **woman's** right
We're not gonna let it go
Not without a fight! **So! Chorus**

Those who went before us
Thought **voting** was a **civil** right
We're not gonna let it go
Not without a fight! **So! Chorus**
