

## Radical Environmentalists

Lyrics: Kay Thode, Vicky Ryder, modified by Madison Grannies  
Tune: She'll Be Comin' Round the Mountain

Oh, we're radical environmentalists  
Yes, we're radical environmentalists  
We like **clean** air and clean water  
And our beaches without tarballs  
Oh, we're radical environmentalists!

We **sure** would like to keep the **EPA**  
Not let **corporate** interest **throw** it all away  
We **must** preserve our **public** land  
the **administration's** **out** of hand  
We're radical environmentalists!

Oh, we like our veggies without pesticides  
And our food without those hormones placed inside  
We like fish **that don't have** PCBs  
And forests that still **have** some trees  
We're radical environmentalists!

We want power that can always be renewed  
**Communities** in control we ain't no fools!  
And we'd rather see those windmill blades  
Than nuclear plants in the Everglades  
We're radical environmentalists!

Oh, we like to have our food grown locally  
And not **shipped** from far away or overseas  
In Wisconsin we love fam'ly farms  
Not agribusiness **full** of harm  
We're radical environmentalists.
