

Radical Environmentalists

Lyrics: Kay Thode, Vicky Ryder, modified by Madison Grannies

Tune: She'll Be Comin 'Round the Mountain

Oh, we're radical environmentalists
Yes, we're radical environmentalists
We like **clean** air and clean water
And our beaches without tarballs
Oh, we're radical environmentalists!

We **sure** would like to keep the **EPA**
Not let **corporate** interest **throw** it all away
We **must** preserve our **public** land
the **administration's** **out** of hand
We're radical environmentalists!

Oh, we like our veggies without pesticides
And our food without those hormones placed inside
We like fish **that don't have** PCBs
And forests that still **have** some trees
We're radical environmentalists!

We want power that can always be renewed
Communities in control we ain't no fools!
And we'd rather see those windmill blades
Than nuclear plants in the Everglades
We're radical environmentalists!

Oh, we like to have our food grown locally
And not **shipped** from far away or overseas
In Wisconsin we love fam'ly farms
Not agribusiness **full** of harm
We're radical environmentalists.
