

## **Rock-a-My-Soul Medley**

Tune: Rock My Soul in the bosom of Abraham

Lyrics: Andrea Musher

*(To be sung to Rock My Soul in the Bosom of Abraham)*

Rock-a-my-soul in waters that teem with fish  
Rock-a-my-soul in air that is sweet to breathe  
Rock-a-my-soul in forests of ancient trees  
O Rock-a-my-soul

*(To be sung to AMEN)*

Protecting the land  
Protecting the air  
Protecting the water  
That's our real work  
It pays dividends  
It pays dividends  
It pays dividends  
To life's true friends

*(To be sung to the tune and rhythm of "So wide I can't get over it...")*

So long they've been plundering  
So long they've been blundering  
Now the people are thundering:  
We're defending the earth!

*(Spoken, snapping fingers)*

AND THE AIR AND THE WATER CUZ WE OUGHTer)

*(Each verse can be started in progression)*

*(All three verses with the different tunes can be sung simultaneously after the verses are started in progression)*
