

## **Five Judges**

Tune: Rye Whiskey (beware- there are multiple versions of this tune)

Lyrics: Doleta Chapru

**Chorus:** Five **judges**, five **judges**, five **judges** I cry  
Have **spun** our **elections** toward what **money** can buy  
Judge **Thomas**, Judge **Alito**, and Judge **Kennedy**  
Judge **Scalia**, Judge **Roberts**,/ **wounded** democracy.

**Fears** of our **founders** have **now** come to pass  
**Power** and **wealth** rule the **elected** class  
Corporations have **money** and **money** is speech  
Now **honest elections** are **clear** out of reach.

### **Chorus**

**Clandestine donors** determine who runs,  
By **launching attack** ads with **corporate** funds.  
So **lobby** your **reps** to **reform** our campaigns  
Keep **corp'**ratist **fund**ers off **election** domains!

### **Chorus**
