

## **Corporations Are Not Persons**

Tune: This Land is Your Land

Lyrics: Jan Edwards

I am a **person**, you are a **person**,  
With flesh 'n **blood**, with mind 'n **conscience**.  
The corporation/ is not a **per-erson**  
**That right// belongs** to you and me.

The Robber **Barons** bought off the **judges**  
To give them **rights** in // the Constitution  
The corporation, a legal **fi-iction**,  
**Now** has more **rights** than you and me

The First **Amendment** protects our **freedom**  
Of free **expression** and of **religion**.  
The corporations have gone and **stolen** that.  
**Those** rights **belong** to you and me.

If "We the **People**" are truly **sovereign**  
And rule the **country** through our **elections**,  
Then we must **take** back from corpora-tions  
**Rights** that were **meant** for you and me!

I am a **person**, you are a **person**,  
With flesh 'n **blood**, with mind 'n **conscience**.  
The corporation/ is not a **per-erson**  
**That right belongs** to you and me.
