

The Wheels on the Bus

Preschool tune Lyrics by Carol Tyler with assistance from Kathleen McQuade and Joy Morgen

The **wheels** on the bus go **round** and round
Round and round / **round** and round.
The **wheels** on the bus go **round** and round
All through the town.

The **bus** takes the kids to **public** school
Public school / **public** school
The **kids** know **public schools** are cool
All through the town.

The **doors** on the bus go **open** and shut
Open and shut / **open** and shut
And **you** are **welcome no** matter what
In **public** schools!

The **driver** on the bus says **move** on back
Room for all / **It's** a fact
Rich and **poor** and **short** and **tall**
In **public** schools!

The **horn** on the bus goes **beep** beep beep
Beep beep beep / **beep** beep beep
Clearing the road of **those** who keep
Screwing public schools!

Don't let the whe-els **grind** to a halt
To a halt / **to** a halt
If that happens it's **all** our fault /
Support ... our ... public ... schools! *[watch director while slowing down]*
