

Citizens United Anniversary Song

Tune: Happy Birthday

Lyrics: Rebecca Alwin, revised by Raging Grannies of Madison

It's **been** __years now.
Government's **broken** and how!
It's **called** Citizens United,
This **wrong must** be righted!

Keep **voting against** it
Continue **protesting** too,
We **strive** for **democracy**,
Don't **want** this **plutocracy**!

What **is** that you ask?
While the **wealthy** all bask,
In **favors** their **PACs** bought,
While **we** are **distraught**.

Think of **a** happy **end**,
While this **message** we **send**.
We'll **Unite** to Ame-**end**,
Don't doubt it, my **friend**!
