

Radical Environmentalists

Lyrics: Kay Thode, Vicky Ryder, modified by Madison Grannies

Tune: She'll Be Comin' Round the Mountain

Oh, we're radical environmentalists
Yes, we're radical environmentalists
We like **clean** air and clean **water**
And our **beaches** without **tarballs**
Oh, we're radical environmentalists!

We **sure** would **like** to keep the **EPA**
Not let **corporate** interest **throw** it all away
We **must** preserve our **public** land
The **administration's** **out** of hand
We're radical environmentalists!

Oh, we **like** our **veggies** **without** pesticides
And our **food** without those **hormones** placed **inside**
We like fish **that don't have** PCBs
And **forests** that still **have** some trees
We're radical environmentalists!

We want **power** that can **always** be **renewed**
Communities in **control** -- we ain't no **fools!**
And we'd **rather** see those **windmill** blades
Than **nuclear** plants in the **Everglades**
We're radical environmentalists!

Oh, we **like** to have our **food** grown **locally**
And not **shipped** from far **away** or **overseas**
In **Wisconsin** we love **fam'**ly farms
Not "**agribusiness**" **full** of harm
We're radical environmentalists!

We **can't** just stand and **watch** as / Our **planet** has hot **flashes** –
We're SUCH radical environmentalists!
