

Fair Maps, Fair Elections

Tune: Pop Goes the Weasel Lyrics by: Rebecca Alwin

All around **our** fair state
districts are **gerrymandered**
Boundaries drawn to **fa**-avor some
o-ther votes are **squandered**

Chorus: **Extremists** rule, **ignoring** us
Big donors buy their **affection**
This is not good **governing**
We need **fair elections!**

Majority won the **governor's** seat,
lame duck **started squawking**
Abuse of **power we**-e must stop/
Our **choices** they are **mocking**

Supreme Court showed its **partisan** view
Least **changes** was their **ruling**
We **won't** give up, a new **judge** we'll elect
Supreme Court needs **retooling**

Chorus: **Non-partisan** **redistricting**
would **fix** these **rigged** **selections**
Use your voice and claim your **power!**
We need **fair elections!**
