

Can't Scare Us

Tune: "Union Maid"

first verse by Victoria (BC) Raging Grannies, Chorus & additional verses by Vicki Ryder, updated by Madison Grannies

We... **never** will forget, Grandma **was** a **suffragette**,
Yet **still** we fight for **women's** rights
Cuz **we** ain't got them yet!
We'll **work** for equal pay, and **family** leave for all,
And the **right** to **plan** our **families**
We are **women** standing tall.

CHORUS: Oh, you **can't** scare us 'cause we're the **Grannies**,
Got off our **fannies**, it's just **uncanny**
What we old **broads** can do now that we're **Grannies**
We'll keep on **ragin'** 'til the day we die.

We've voted all our **lives**, to help the world **survive**,
Black and white, we'll **protect** that right,
So **children** grow and thrive.
We'll **protect** our right to choose, and will not be **abused**,
We'll **make** a fuss if you **mess** with us!
United we can't lose.

CHORUS

We **may** end up in jail, but **we** won't weep and wail.
Our **cause** is just, so **rage** we must
Until we all prevail.
Our **steps** they might be slow, our **boobs** are hanging low,
But **if** you'll **rage** **along** with us
There's **no** way we can fail!

CHORUS
