

We're Not Giving Up!

Start on E

Tune: We Shall Not Be Moved

Lyrics: Sara Williams, Raging Grannies of Madison

CHORUS: We are not, we're not giving up!
We are not EVER giving up!
We know we're **in** this struggle for the long haul —
We have just begun.

Shoulder to shoulder, we're not giving up
Although we're growing older, we're not giving up
We know we're **in** this struggle for the lo-ong haul
We have just begun.

CHORUS

WE ain't sittin' crying, we're not giving up
The Left is not dying, we're not giving up
We know we're **in** this struggle for the lo-ong haul
We have just begun.

CHORUS

We're up against Big Dollar, we're not giving up
We still know how to holler, we're not giving up
We know we're **in** this struggle for the lo-ong haul
We have just begun.
