

## In Praise of Title Nine

Tune: Take Me Out to the Ball Game

Lyrics: Kathy Miner and Barbara Arnold for the Raging Grannies of Madison, WI

1. **Let's** go down to the girls' game,  
**They** can play every sport;  
**Soccer** and **hockey** and **basketball**  
**Golf**, bowling, track and field – **they** do them all;  
So we'll **root**, root, root, for the **women**,  
'Cause **they** can win every time –  
And it's **hip**, hip, hip, hip hooray  
For old **Title Nine**!
2. **It's** not just about sports, friends,  
**Title Nine** did much more;  
**Girls** taking shop class and **boys** in home ec  
**Everyone's** typing – now **what** will come next?  
And it's **root**, root, root for **society**,  
'Cause **we're** all winners this way –  
And it's **hip**, hip, hip, hip hooray  
**Title Nine** today!
3. **Still**, we're loving the girls' game;  
**What** we see makes us proud  
**Girls** growing up so **strong** and cool,  
**Both** in the classroom and **a-after** school.  
Let us **root** again for **equality**,  
**Talent** and spirit aligned--  
Yes, it's **hip**, hip, hip, hip hooray  
For old **Title Nine**!

Yes, it's hip, hip, hip HOORAY!  
For old Title Nine!
