

Granny Song of Solidarity

Lyrics: Kathy Miner, Raging Grannies of Madison WI

Tune: Battle Hymn of the Republic

We're the Raging Grannies and you **guys** are all our friends –
Through the **rallies** and the **marches** we are buddies to the end.
We are parents, doctors, teachers, we do **every** kind of work --
Obligations we don't shirk!

Glory, glory, let's go protest –
There's always something causing unrest.
Be it **health** care /// education /// or a **law** that is not fair --
We **promise** we'll be there!

We sing for social **justice** and an **end** to all the wars,
For **equal** rights for **women** and fair **treatment** for the poor,
Wherever there's **inequity** it **meets** with our dismay;
And we **stand** with you today!

Glory, glory, let's go protest –
There's always something causing unrest.
Be it **health** care /// education /// or a **law** that is not fair --
We **promise** we'll be there!
