End The Madness Now

Start on C

One million, **two** million, **three** million soldiers
Marched off to **war**, and **won't** grow older
Makes us sad, but it **makes** us bolder/
End^ the madness **now**!

Chorus: War is **crazy,** war is **nuts**
            We must stop it **some**how
            Mind the lives and **mind** the fam'lies**/**
            End the **mad**ness now, now, now!

One trillion, **two** trillion, **three** trillion dollars
Wasted on **war** 'cause **no** one hollered
You go ahead, but **we** won't foller/
End^ the madness **now**!

Chorus

Five thousand, **six** thousand, **seven** thousand suicides
Killed by **wounds** on the **in**side.
Brain trauma, **PTSD ruin** lives/
End^ the madness **now**!

Chorus

Their kids, **my** kids, **your** kids bleeding
Slaughtered for **slo**gans **with**out meaning
Let's finally **say** what we're all needing/
End^ the madness **NOW**!
