

Fair Maps, Fair Elections

Tune: Pop Goes the Weasel

Lyrics by: Rebecca Alwin

All around **our** fair state
districts are **gerrymandered**
Boundaries drawn to **fa**-avor some
o-ther votes are squandered

Chorus: Extremists rule, ignoring us
Big **donors** **buy** their **affection**
This is not good **governing**/
We need **fair** elections!

Majority won the **governor's** seat,
lame duck started **squawking**
Abuse of **power** **we-e** must **stop**/
Our **choices** they are **mocking**

Chorus: **Neutral 'n fair** redistricting
would **fix** these **rigged** selections
Use your voice and claim your **power**/
We need **fair** elections!

Wisconsin's constitu-ution says
contiguous, **compact** **districts**
A **law** suit at **our** Supreme Court
can **end** the **gerrymander** tricks

Chorus: **Neutral 'n fair** redistricting
No more **threats** or **backhanding**
New **district** lines must **soon** be drawn
Fair **maps** are what we're **demanding**!
