

Forward Against Racism

Lyrics by Sheila Plotkin, Madison WI Raging Grannies
Modified from "Forward Together" by Mary Ray Worley

CHORUS:

Forward together! Forward together! Forward together! The time is now!
Forward together! Forward together! Forward together! The time is now!

Those who fight for **justice**
Want to **strengthen democracy**
Not until that battle's won are any of us free. So! **Chorus**

Reckless cops who **murder**
Shouldn't **be** their own **referee**
Not until that battle's won are any of us free. So! **Chorus**

Mass incarceration
A **tool** of **supremacy**
Not until that battle's won are any of us free. So! **Chorus**

Schools that lack **essentials**
Leave **kids** drowning in rough **seas**
Not until that battle's won are any of us free. So! **Chorus**

We all need to **reckon**
With our **racial history**
Not until that battle's won are any of us free. So! **Chorus**
