

Mifepristone Song

Lyrics By: Raging Grannies Action League -- Original date written 04/08/2023

Tune: We Shall Not Be Moved

Pronunciation note: "miff-eh-PRISS-tone"

Mif-e-pris-tone ... You can't stop it now

Mif-e-pris-tone ... You can't stop it now

It's been around, and safe for over twenty years

You can't stop it now!

It's used for abortion care... You can't stop it now

It's used for miscarriage care... You can't stop it now

It's been around, and safe for over twenty years

You can't stop it now!

It's safer than Tylenol ... You can't stop it now

It's safer than pregnancy ... You can't stop it now

It's been around, and safe for over twenty years

You can't stop it now!

You can't stop the Grannies ... You can't stop us now

You can't stop our singing ... You can't stop us now

We've been around Mad City over twenty years

You can't stop us now!

REPEAT FIRST VERSE (MIFEPRISTONE)
