

## Radical Environmentalists

Lyrics: Kay Thode, Vicky Ryder, modified by Madison Grannies

Tune: She'll Be Comin 'Round the Mountain

[Watch the director because some lines are slowed for emphasis]

Oh, we're radical environmentalists  
Yes, we're radical environmentalists  
We like **clean** air and clean **water**  
And our **beaches** without **tarballs**  
Oh, we're radical environmentalists!

Oh, we **like** our **veggies** **without** pesticides  
And our **food** without those **hormones** placed **inside**  
We like fish **that don't have** PCBs  
And **forests** that still **have** some trees  
We're radical environmentalists!

We want **power** that can **always** be **renewed**  
**Communities in control** -- we ain't no **fools!**  
And we'd **rather** see those **windmill** blades  
Than **nuclear** plants in the **Everglades**  
We're radical environmentalists!

Oh, we **like** to have our **food** grown **locally**  
And not **shipped** from far **away** or **overseas**  
In **Wisconsin** we love **fam**'ly farms  
Not "**agribusiness**" **full** of harm  
We're radical environmentalists!

We **can't** just stand and **watch** as / Our **planet** has hot **flashes**/  
We're **SUCH** radical environmentalists!
