Let **me** sell **guns**, lots of **guns**, to **anyone** who'll buy,  
**Let me** sell guns  
Let me **sell** to the **gangs**, to the **sick** and really **mad**,  
**Let me** sell guns!

*Verse 1:* Let me **sell** 'em by **myself**, without any **ru**-ules  
**I** don't want no **laws** cuz they're **made** by foo-ools  
They're **money** in the **bank** so I **hope** you're **coo**-ool,  
**Let me** sell guns!

*Bridge:* Just **turn** me **loose**, sellin' **weapons** at a **gun** show  
Where the **drug** cartel will go ...  
Let's **load** 'em **up**, never **checking** any **background**  
Never **asking** what I know ...

*Verse 2:* I want to **sell** till I'm **rich** as a **CEO**-O  
Don't want to **know** where the **guns** will go-o  
Don't **listen** to the **news**; I don't **want** to kno-ow  
**Let me** sell guns!

Let **me** sell **guns**, lots of **guns**, to **anyone** who'll buy,  
**Let me** sell guns  
Let me **sell** to the **gangs**, to the **sick** and really mad,  
**Let me** sell guns!

*Verse 3:* I wanna **sell** all my **guns** **before** it's too la-ate  
Don't give a **damn** **who** they ha-ate  
**I'm** not **responsible** for their cri-ime;  
I've ... got ... my ... dime!
