

# Bring Back Wisconsin to Me

Tune: My Bonnie Lies Over the Ocean

Lyrics by Lou & Peter Berryman, who have given Raging Grannies permission

1. Wisconsin, whose motto was “Forward”  
Was populist as it could be  
But now the new motto is “Backward”  
Oh, bring back Wisconsin to me

CHORUS: Bring back, bring back  
Oh bring back Wisconsin to me, to me  
Bring back, bring back  
Oh bring back Wisconsin to me

2. Tho we may be “God’s frozen people”  
We bask in the warmth of our plea  
Don’t bury my rights in a snowbank  
Oh bring back Wisconsin to me
3. They’re trying to stifle our voices  
They’re trying to keep us derailed  
They’ll find it’s not easy to do tho  
McCarthy once tried and he failed
