

# Forward Together!

By Mary Ray Worley for the Solidarity Sing-Along, Raging Grannies also have permission to sing

**CHORUS:** Forward together! Forward together!  
Forward together! Not one step back!  
Forward together! Forward together!  
Forward together! Not one step back!

Those who went **before** us  
Fought and **died** for our **civil** rights  
We're not gonna let 'em go  
Not without a fight! **So!** *Chorus*

Those who went before us thought  
**Education** was a **human** right  
We're not gonna let it go  
Not without a fight! **So!** *Chorus*

Those who went before us thought  
Health **care** was a **human** right  
We're not gonna let it go  
Not without a fight! **So!** *Chorus*

Those who went before us thought  
Clean **water** was a **human** right  
We're not gonna let it go  
Not without a fight! **So!** *Chorus*

Those who went before us  
Thought **choice** was a **woman's** right  
We're not gonna let it go  
Not without a fight! **So!** *Chorus*

Those who went before us  
Thought **voting** was a **civil** right  
We're not gonna let it go  
Not without a fight! **So!** *Chorus*
