

## Do You Hear Wisconsin Sing?

*Tune: Do You Hear the People Sing (Les Miserables) – Granny lyrics: Sheila Plotkin  
March tempo; start singing medium quiet and gradually increase volume*

Do you **hear** Wisconsin **sing**? This is the **message** that she **sends**:  
We are a **people** waking **up**, and we will **cast** our votes **again**!  
Our **democracy**'s at **stake**, we **understand** what we must **do**  
Grannies will **vote** **democracy**, we will **see** it **through**! (*Key change down*)

We will **work** for our **ideals**  
**Despite** the **pressure** to **retreat**  
Knowing **that** the threat is **real**, we will not **lie** down in **defeat**.  
Our **message** will **echo** in **chambers** and **out** on the **street**! (*Key change up*)

Do you **hear** Wisconsin **sing**? This is the **message** that she **sends**:  
We are a **people** waking **up**, and we will **cast** our votes **again**!  
There are **fascists** in the **land**, hoping to **rip** out freedom's **roots**  
Coming for **you** and what you **love** / Can you **hear** the **boots**? (*Key change down*)

Will you **join** in our **crusade**?  
Who **will** speak **out** and **stand** with **me**?  
**Beyond** Election **Day**, what **kind** of **country** do you **see**?  
Please **join** in the **fight** that will **keep** our **democracy** **free**. (*Key change up*)

Do you **hear** Wisconsin **sing**? This is the **message** that she **sends**:  
We are a **people** waking **up**, and we will **cast** our votes **again**!  
Project **Twenty** **Twenty-Five**, **threatens** **all** that we hold **dear**  
We must **defeat** it at the **polls**, there is **much** to **fear**! (*Stay on upper pitch...*)

Tell your **neighbors** and your **friends** here in this **critical** swing **state**  
This **cannot** be how it **ends** - We **control** our fate!

*Slower, watching director:*  
This **cannot** be how it **ends** -  
We **control** our fate!
