

Roe Your Vote

Tune: Row, Row, Row Your Boat

Lyrics: Ricki Sajbel, Raging Grannies of Madison

NOTE: For performances, we'll have small cardboard squares with "Roe" and "Your Vote" written on them, to be flipped over as we sing those words.

Before it makes us scream,
'cause **voting for** a woman's choice
Shouldn't be extreme!

Roe, Roe, Roe your vote
Stand for healthcare rights!
The **choice is clear**, we **have** no fear
We **won't** give up the fight!

The **high** court is **out** of whack
As **demonstrated** when
They **overturned** accepted law
And **showed** their right-wing bend, SO...
