

Corporations are Persons Now!

Tune: Bicycle Built for Two

Lyrics: Vicki Ryder (Rochester/So. Florida) 1/28/10, small revisions by Madison Grannies

Brib'ry, brib'ry now is the **law** of the land
Cor-por-a-tions can **do-o** what once was banned!
The **Supreme** Court has **set** a **precedent**
Now **Wal-Mart** can be **president**,
 'Cause **business** has rights
 And **to** their delight
 Corporations are **persons** now!

Fair campaigning **now** is a **thing** of the past
Those with **money** **own** the **elections** at last!
They **buy** all the **TV** ad time
And **run** their **sleazy ad** slime.
 They **offer** no proof
 To **hell** with the truth!
 Corporations are **persons** now!

They **offer** no proof;
To **hell** with the truth!
Corporations are **persons** now!
