

Granny Song of Solidarity

Lyrics: Kathy Miner, Raging Grannies of Madison WI

Tune: Battle Hymn of the Republic

We're the Raging **Grannies** and you **guys** are all our friends
Through the **rallies** and the **marches** we are **buddies** to the end.
We are **parents**, doctors, **teachers**, we do **every** kind of work
Obligations we don't shirk!

Glory, glory, let's go **protest**
There's **always something** causing **unrest**.
Any **issue** that you **care** about or **law** that is not fair
We **promise** we'll be there!

We **sing** for social **justice** and an **end** to all the wars,
For equal rights for **women** and fair **treatment** for the poor.
Wherever there's **inequity** it **meets** with our dismay
And we **stand** with **you** today!

Glory, glory, let's go **protest**
There's **always something** causing **unrest**.
Any **issue** that you **care** about or **law** that is not fair
We **promise** we'll be there!
