

## **The People or the Pipeline**

Tune: Which Side Are You On?

Chorus Lyrics by Vicki Ryder, verses by Rebecca Alwin

### **CHORUS:**

The— **people** or the **pipeline**? **Which** side are you on?

The **people** or the **profiteers**? **Which** side are you on?

Our **planet** is in **peril**, the **signs** are all **around**

Our **children** see the **problem**, their **wisdom** is **profound**

When **profit** is the **only** guide, the **needs** of life are **lost**

The **damage** to all **living** things is too **great** a cost

### **CHORUS**

The **Bad River Ojibwe** see **damage** to the **land**

They **call** on us to **join** them in **resolve** to take a **stand**

Remember prayers from **Standing Rock**, **millions** heard their cry

We **can't** allow new **pipeline** **beneath** Wisconsin sky

### **CHORUS**

We **learn** from native **people** sacred **values** to **uphold**

**Honor** water **protectors**, ever strong and **bold**

The **time** is now to **make** the change, **wisdom** must **prevail**

We're **all** in this **together**, we **can't** afford to **fail!**

### **CHORUS**
