

Put Your Finger in the Air -- *Reproductive Rights edition*

Lyrics by Kathy Miner and Raging Grannies of Madison WI

Tune: Put Your Finger in the Air by Woody Guthrie

Put your finger in the air, in the air,
Put your finger in the air, in the air;
Put your finger in the air, **abortion** is health care!
Put your finger in the air, in the air!

Sing remaining verses in the same pattern:

Put your finger on your **nose** ... That **Dobbs** decision really blows!

Put your finger in the **shade** ... They **stole** Roe-versus-Wade!

Put your finger on your **knee** ... We **miss** RBG!

Put your finger on your **ear** ... Doctors **should** not live in fear!

Put your finger on your **womb** ... Pregnancy should not spell doom!

Put your finger in the air, in the air,
Put your finger in the air, in the air;
Put your finger in the air, **abortion is** health care!
Put your finger in the air, in the air!
