

## Hey Neighbor!

Tune: Playmate, Come Out and Play With Me

Lyrics: Ricki Sajbel, Raging Grannies of Madison

Hey, hey, O **neighbor**,  
Come out and **work** with me  
We will build **unity**  
Promote **equality**!  
We'll sing for **justice**,  
for peace and **harmony**,  
We'll sing our **protest** songs, forevermore.

Hey, hey, O **neighbor**,  
Let's build a **better** world  
Where love can **conquer** fear,  
We can't have **hatred** here!  
We sing for **others**  
Who can't get **in** the door,  
We'll sing our **protest** songs, forevermore!

Hey, hey, O **neighbor**,  
Whether you're **red** or blue  
Don't care as **long** as you  
Respect all **points** of view!  
Do you like **rainbows**?  
Let's find our **common** core,  
Our kids will **benefit**  
Forevermore!
