

## Sanity Street

Tune: Sesame Street Theme Song

Lyrics: Kathy Miner, Raging Grannies of Madison & thereabouts

**Crazy** days, they're **takin'** our // **rights** away  
**Voting** rights, **abortion**, **in** retreat!  
 Can you **tell** us how to get,  
 How to get to Sanity ↓Street?

**Come** and see, what's **happ'nin'** to // **you** and me  
**We're** no **longer** in the **driver's** seat!  
 Can you **tell** us how to get,  
 How to get to Sanity ↑Street?

**Oh**, my Lord, **what's up at the** // **Supreme** Court  
**Bad** decisions there, most **every** week!  
 Can you **tell** us how to get,  
 How to get to Sanity ↓Street?

**What** a scourge\*, **the felon who's** // **now** in charge      *\*[rhymes with "forge"]*  
**Policy** is made by **lies** and Tweets!  
 Can you **tell** us how to get,  
 How to get to Sanity ↑Street?

**We** must band together through // **out** the land  
**Take** our **power** back from **those** who cheat!  
 That's the **way** we're gonna get,  
**Gonna** get to Sanity ↑Street!  
**Gonna** get to Sanity ↓Street!  
**Goin' back** to Sanity Street!      *[On last syllable, some go up and some go down]*
