

Rage to End All War

Tune: Battle Hymn of the Republic

Lyrics: Multiple revisions by Raging Grannies of Madison

We're the Raging Grannies and we **rage** against all war
Years of **grief** we've seen from **killing** make us **wise** old troubadours/
You may **chuckle** at our fashions, but please **join** us, we implore
We **rage** to **end** all war!

Chorus: No more military action *(faster tempo)*
We declare dissatisfaction
With those who profit from the sale of drones and nukes and guns
We rage to end all *war!*

We **put** away our **knitting**, tuck the **grandkids** into bed
Throw **on** our shawls and **aprons**, put our **hats** upon our heads
We **march** with those **determined not** to **let** oppression spread
We **rage** to **end** all war!

Chorus: No more militarization! *(faster tempo)*
We are raging at our nation
For using up our taxes to destroy, exploit and kill.
We rage to end all war!

We may **fumble** for our **melody**, but **this** we know for sure
Using **violence** and force won't build a **world** that will endure
We **all** must learn the **ways** of peace our **future to insure**
We **rage** to **end** all war!

Chorus: No **mat-ter** who is **in** com-**ma**-and
We'll **keep** **mak-ing** our de-**ma**-and.
With Granny gear and voices clear
We'll work with all our might
Until we end all war!
